

QUEST COMMUNITY CHURCH

WE'RE ON A QUEST TO LOVE GOD & LOVE OUR NEIGHBOR

June 1, 2023

Dear Colleague:

Greetings, the purpose of my correspondence today is to offer a recommendation for Vanessa Kersting. Vanessa has been making annual visits to our church for many years. When she comes and ministers our congregation is blessed tremendously! In fact, they look forward to her joining us and leading us in worship.

I offer an enthusiastic recommendation for her to come to your church. The songs that she has written and the way she sings them will creatively remind those who listen that God loves them. I believe Vanessa is a young lady of integrity and I know the fruit of the Spirit is obvious in her life.

Thank you for considering allowing the love of God to flow to your congregants through Vanessa! My cell phone number is 601.613.7370 if you have any questions.

Sincerely,

Ed Hauser, pastor
