**“Still Standing: God’s Mission, Our Method, Our Struggle, Our Path Forward as United Methodists”**

This course is designed to inform about the doctrinal and theological foundations of the UMC, as well as mission and church governance. **“Discovering and Using Your Spiritual Gifts”**

This course offers a scriptural understanding of spiritual gifts as always given “for the common good.” By helping participants identify and link their gifts, abilities, and sense of calling, laity will learn the powerful connection between spiritual gifts and vocational discernment in the context of the mission of their local church. They will also learn how to make spiritual gifts discernment a part of their congregation’s culture and commitment to equip mission-focused leaders who make disciples of Jesus Christ for the transformation of the world. We will be using the book *For the Common Good: Discovering and Using Your Spiritual Gifts* by Christine Harman.
